Our students did exceptionally well at the Taekwondo America Nationals last month in Dallas. Some divisions we swept all the medals! Even those who did not place exhibited excellent effort and sportsmanship. Way to go!

Demo Team to perform at Belt Testing!

At the February 13th belt testing you will have one last opportunity to catch the amazing demonstration that our demo team performed at the Taekwondo America National Demo Team competition last month. The Highland Village Demo Team will also perform. If you missed their performances the night before the tournament, don't miss this!
